The email stated that no further communication or update has been provided to this item throughout 2025 and the resident feels that the Community Council should be more proactive in providing both 'information updates' and 'proposals to repair' as, after all, it is a vital local attraction to Residents and Visitors to the village and should be addressed. The Clerk had replied to the resident stating that any repairs to the Castle at Aberlleiniog is not the remit of the Community Council and is the responsibility of Menter Môn (owners). However, he will forward the concerns raised to them. • Email received from Rebecca Pritchard (Menter Môn) that an grant application (£26k) had been successful to the TWIG fund.
